School council serves as an advisory committee for the school and parents. It is truly essential to have many perspectives from the parents as possible.

Principal Report - James Sedgwick

The start of the year has been great. 580 students up from 500 next year. We will be adding staff members in the next week. In school has been pretty quiet, and we can expect some more delays. We have hard working staff that have ensured a great start and staggered entry seems to be well received again this year.

Alberta Government has announced new measures, we will await for restrictions to be confirmed shortly.

Round Table:

Lori started by saying she likes the changes to staff parking.

Vish is very happy with the staggered entry times. It gives all parents a chance to get kids to respective doors.
